## President's Message

June 9, 2023

We are back in business following the dog show for the rest of the season! I have to say that the removal for the dog show was fantastic. We had several volunteers pulling tapes and vacuuming rugs on the Wednesday and Thursday. Then Friday, May 26th arrived with 13 volunteers from our club plus the two guys we hired for the heavy lifting. We basically had it all completed by shortly after 1pm. Wow! That old saying "Many hands make fast work!" definitely applies. It was such a great way to celebrate my 80th birthday! Then on Tuesday, June 6th we began the re-install by getting the place cleaned up and the courts laid down! Heavy lifting was done on the Wednesday and taping of courts was completed on Thursday. With the warmer temperatures in the building we hope that many of those pesky wrinkles will disappear.

So here are the volunteers you have to thank for doing the removal and re-install. Without these fine people, shuffleboard would not be happening! They included: Collette & Rick Carlisle, Kathy Ondrus, Helene Mailoux, Lorna & Wally Bentt, Linda Wozniuk, Charlie Cull, Brent Pegg, Pat Wilson, Pat Ondrus, Dan LeClair, Diana Monette, Karen Johnston, Dennis MacPherson, Vern Schmidt and Charlie Gerlach. Thank you all once again for doing such a great job!

I want to inform you of some upcoming events. Get your phones out and enter these dates into you calendars.

As a partial compensation for missing the last two weeks, we will have 4 days of play next week. *That's right! Monday, June 12 will be an extra day of play.*
